

## HridoyaBangladesh Call for Support'2009

Dear All,

As continuation of our effort to promote education, this year we have taken an initiative to raise funds for the financially challenged students. Right now, we are considering supporting some students who have achieved excellent academic credentials in S.S.C. examination 2009, in face of immense social adversaries and financial crisis. We believe that with a little support from all of us, these brilliant students can flourish their talents and develop a bright career. Eventually, they will be able to help their family members to come out of the vicious cycle of poverty. You can find the detail of this project in <http://www.hridoyabangladesh.org/helpedu09.html>.

The outcome of our previous initiative is very encouraging (detail can be found in <http://hridoyabangladesh.org/HSC2009ResultSummary.pdf>). This year, we are planning to provide financial support to **12 students**. So far, **we have raised US \$1500 to support three students for the next two year. Still we need approximately US \$2,925 to support remaining nine students.** Here the rough break-down of this estimated cost.

<b>Approximated Expenses Areas</b>	<b>Estimated Cost</b>
Cost for Nov 2009 – May 2011 (1,000 Taka per month)	1,000*19 = 19,000 Taka
HSC Exam Registration Fee	1,500 Taka
Book Cost for Second Year	1,500 Taka
Total Cost Per student	22,000 Taka
Total Number of Students Still Need to be supported	9
Total Money needed	9*22,000 = 1,98,000 Taka
USD Equivalent	\$2,925
