

Call for Support: Let Us Help to Keep the Dream Alive

Webpage: <http://hridoyabangladesh.org/post-hsc11.html>

Dear All,

With your generous help, Hridoya Bangladesh (HB) has been providing financial support to the brilliant but unprivileged students to continue their college education since 2007. Recently, 13 of our students have successfully completed HSC exam. These students are very grateful to you for your kind support.

All these students are now working hard to get prepared for the admission tests. They are dreaming to get chance in the reputed universities, finish their education, get a good job, and finally help their families to come out of the financial hardships. However, due to financial crisis, they cannot undertake proper coaching for the admission tests. They are very worried about their future careers as without taking proper training (coaching), it would be hard for them to survive in the admission war. In addition, they cannot make any solid career plan as they are not sure how to bear the admission test fees and cost of the further higher education.

Many of our students have requested HB for further financial help to cover their coaching and admission tests fees. In addition, lots of our HB members are also concerned about the future of these brilliant students and have requested HB take some initiatives to help them. Let us help to keep the dreams of these students alive.

To this end, HB has launched a new fund raising drive. Our initial goal is to give each student 10,000/= Taka (US \$140) to cover their coaching and admission test fees. In total, we need 130,000/= Taka (US \$1820) to support all 13 students. We have already received US \$300 for this drive. We need your financial help to make drive successful. In addition, we are highly encouraging you to take some personal initiatives to provide guidance and career suggestions to these students. Let us try best to help these students to accomplish their dreams.

Here is the detail project link: <http://hridoyabangladesh.org/post-hsc11.html>. It contains all the information about how to contribute in this project. If you have any suggestions, please send mail to info@hridoyabangladesh.org.

Sincerely,

Mohammad Shahed Sorower

Secretary, Hridoya Bangladesh
