

## Save a Hope: US \$25 is Needed

### A Little Help Goes a Long Way

- 10,000+ miles away
- \$1 is multiplied by 68 times in local currency. \$25 is enough to bring a big smile for an SSC examinee
- A \$25 gift from you can help a student to fulfill his/her dream of sitting for the SSC Exam

### Goal

The primary objective of this initiative is to raise funds for the financially challenged meritorious SSC examinees to help them by covering up their SSC examination registration (form fill-up) expenses. For many poor parents/guardians, paying this fee is a huge burden. These parents live from hand to mouth and do not have enough savings to pay registration fee for their children's SSC exam. Thus, due to lack of money, the dreams of many students to have better education come to an end at the very early stages of their education lives. HridoyaBangladesh wants to help some of these students to fulfill their dreams. We believe that with a little support from all of us, many of these unprivileged students can fulfill their dreams of having higher education.

### Estimated Registration Fee

The estimated registration fee for a student is approximately 1,500 Taka, which is equivalent to **USD 25**. Here is the detailed breakup:
